

Information update about Covid-19 pandemic

24 Mars 2020

Dear Friends

We hope that you and your family are doing well.

A few weeks have already passed since the coronavirus outbreak and we face a tremendous challenge in our daily lives. We follow the news and we are very attentive to the evolution of the situation. For the time being, the authorities have undertaken the difficult task of imposing strict rules as a preventive measure for stopping the spread of the virus. Currently, a temporary ban has been imposed on all services on tourist accommodations until 30 April 2020, as a result the hospitality in Montofoli Wine Estate has been suspended till that date.

We will continue to actively monitor the situation; we hope wholeheartedly that it will eventually be overcome. We know that people's desire to look forward to better times is resilient and we anticipate the return to normal. Once travel will meet no boundaries again, we will be ready to welcome you in our villas to make sure you relax, recharge and restore your spirit.

We remain at your disposal.

You can contact us at info@montofoli.gr

Be safe and take care of yourselves and your loved ones.

Sincerely,

Montofoli Wine Estate Team
